In response to the Office Action mailed October 25, 2002, please amend the application as follows.

IN THE CLAIMS

Please substitute the claim set in the appendix entitled Clean Version of Pending Claims for the previously pending claim set. The substitute claim set is intended to reflect amendment of previously pending claim 22. The specific amendment to claim 22 is detailed below.

22. (Amended) An apparatus, comprising:

means for displaying a video input signal;

means for recording the video input signal; and

means for detecting an incoming phone call;

means for utilizing caller identification data from the incoming phone call to assist the user in selecting whether to answer the incoming phone call;

in the event said detecting means detects an incoming phone call, said recording means being capable of recording the video input signal during the phone call, and said displaying means being capable of displaying the recorded video input signal to a user upon termination of the phone call.
